

Sherwood Forest Ploughing Match

Sunday 26th November 2017

It is our pleasure to again invite you to the Sherwood Forest Ploughing Match. Last year's event was highly successful. The weather was unbelievably kind. We filled the field with 165 entries.

The Site

Sir David and Andrew Naish have again offered us a site for this year's match. It is the same field as last year but with extra acreage. The field is on the B6034 between Budby and Carburton. **LOOK OUT FOR OUR SIGNS!** It will be signed from the A60 at Cuckney, at the Ollerton roundabout (A614) and at the junction with the B6034 from Worksop. If travelling south on A614 turn right through Thoresby Park. Please avoid travelling through Edwinstowe village. Post code S80 3BP but it is not too helpful!! You may end up in a lake!! Use our signs when nearing the field.

Start Time

Ploughing will start at 9.30 prompt. We hope to complete the day by about 3pm.

Weather

In spite of the disastrous snow in the East Midlands in 2010 we emphasize strongly that wet weather will not stop the Sherwood Forest Ploughing Match. The land is all Nottinghamshire sand. It will never be too wet to plough! If you can make it to Budby there will be ploughing for you. Please make a real effort to attend.

Entry Forms

Please send your Entry Form plus entry fee as soon as possible. There is very little sloping land with no pebble beds. A good site! The entry fee has not been increased from last year - £10 allows the biggest possible donation to Lincs/Notts Air Ambulance.

Please note that your entry fee is regarded as a donation to Air Ambulance. In the unlikely event of cancellation return of entry fee will not be made except by specific request.

Air Ambulance

We are frequently asked about additional donations to the Air Ambulance. Please feel free, as many entrants have already done, to add a donation to your entry cheque. It will be passed on to the Air Ambulance with the main match proceeds. We do not inflict a raffle on you as well! Thanks so much for your support. Any donations would be welcome.

PLEASE RING Dick Russell (07973462139) or Robert Haigh (07968215777) if you need more details or help of any sort. Thanks to Matt Newby our website is running well. Try "Sherwood Forest Ploughing Match".
